Dear Parents/Carers,

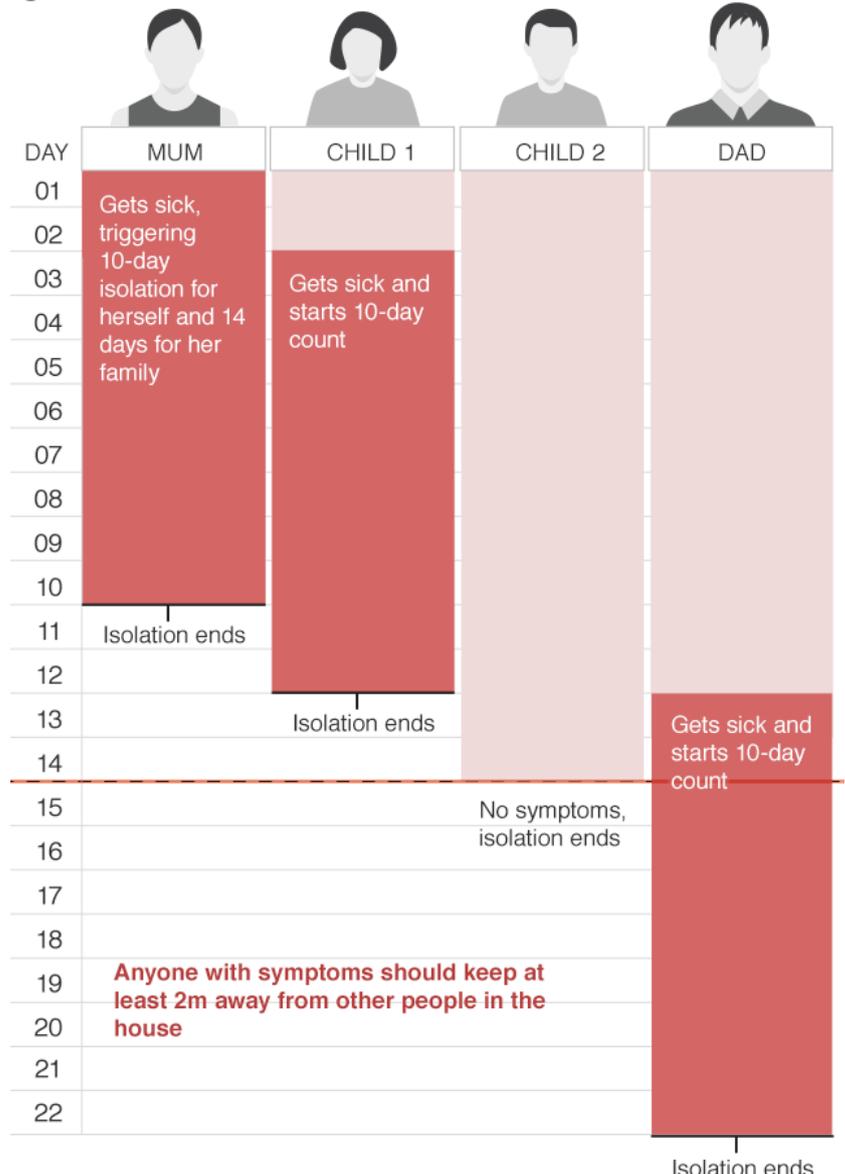

We hope that you are doing ok and that you stay safe. If there are any positive cases of Covid in your family, we hope that they recover quickly.

Here is a picture produced to help you understand how long members in your household may need to isolate for. If you are in doubt though, please feel free to call the school and we will do our best to help.

Whilst your child(ren) is at home isolating, if they are well enough, they will be set work which we expect them to complete to support their education.

- If they are only likely to be off for a few days whilst waiting on a test result (which is hoped to show a negative result) then you will receive a text with the link to the National Oak Academy site.
- If they are off school for at least 10-14 days, their work will be set via their Seesaw/Tapestry account linked to what they would be missing at school. Please post the work they do on this platform for their teacher to see. (Please note, they may not check this daily as they are teaching the rest of the class but it will be checked at least a few times a week.) In these cases, we will touch base with you on days 3, 7 and 13 to see how you are getting on with the work and check on your family's wellbeing and health. Please note, if you told us in our device survey that you didn't have access to devices at home, we will be in contact with you about the options available to ensure your child doesn't fall further behind.

## What happens if someone in your family gets sick?

People may be able to pass on coronavirus without showing any symptoms

Source: Public Health England advice

It is important that you keep us informed of any developments during this time that your child(ren) is off school and that if your child(ren) isn't poorly, they complete the work set so they do not fall further behind.

Please remember that there are also great lessons available at:

<https://classroom.thenational.academy/schedule-by-year> You can also use the PiXL times tables and vocabulary Apps for free in years 1-6 as well as Accelerated Reader and for those with a login, there is

also Lexia which they can complete independently. For all years including EYFS you could go to free websites such as: <https://www.phonicsplay.co.uk/resources> or <https://www.topmarks.co.uk/Search.aspx?Subject=37&p=2>

Please feel free to contact me if there is anything we can do to further support your family. We will look forward to welcoming you back to school once the isolation period is complete and/or your child is well enough to return.

Yours Sincerely

A handwritten signature in black ink that reads "A Rogers". The signature is written in a cursive style.
