## Term 3 Achievements

Although this term has been a little bit different it hasn't stopped you all working extremely hard and making us all proud. We are all so impressed with how well you have dealt with home learning and have loved some of the creative ideas that you have come up with. In school, our Key worker children have all been working very hard too and we can't wait to see you all again.

## Literacy

This term our class text will be 'How the Camel got his hump' based on the tale by Rudyard Kipling from his collection of 'Just so stories'. We will be exploring the character flaw in this story and discussing the rights and wrongs that go with it, thinking about actions and consequences in our own lives. Our Talk 4 Reading book this term is 'if you ever want to bring an alligator to school... don't'. We will be looking at inference of characters feelings as well as discussing the actions of a character and whether we think they are morally right.

**Ideas for at home:** Find other similar stories by Rudyard Kipling in his collection of 'Just so stories' like, 'How the Rhinoceros got his skin' and 'How the leopard got his spots'. Read them together and discuss how they are similar and different to our class text.

**Handwriting** - We are having a big push on handwriting. Help children by showing them how to form letters correctly, including in their homework books.

## Numeracy

This term we will be looking at fractions and shape. In shape we will be recognising 3D and 2D Shapes and identifying their properties such as vertices, corners, faces, edges, sides and lines of symmetry. We will then be moving on to fractions. In Fractions we will be focussing on recognising and finding a half, quarter and third of shapes and numbers. Our multiplication unit last term should help us with this, alongside our times tables.

**Ideas for at home:** Can you learn your ten, two and five times table? You might even learn your 3s and 4s? Don't forget you can use the PiXL app to help with this! Help your child understand shapes by seeing if they can recognise shapes of objects around the house and whether they can identify their properties.

## PE

The children have two PE sessions a week. Outdoor PE lesson are on a Monday and Friday . We do our best to stick to these days but sometimes they have to change at the last minute. To help us out please could the children's PE kits be in school all week. One session will be outside each week, so please ensure your child has black tracksuit trousers and a black plain jumper especially as the weather gets colder. This term we will be learning all about dance and sequencing movements and looking at hockey skills, especially ball control.

**At home:** PE kit should be a white t-shirt, black coloured shorts, black tracksuit trousers, black jumper and trainers or plimsolls. Make sure all their kit is labelled with clearly and is kept in a named bag in a box. Please also ensure jewellery isn't worn on PE days. There will be a lost property basket in the cloakroom

## Creative Curriculum

Our focus this term will be linked to our topic question 'How can we prove that all creatures' needs are different?' Our afternoons will primarily have a science focus where we will look at the differences and similarities between humans and also establish what humans need to survive as well as looking at a basic human lifecycle. We will then move on to looking at the similarities and differences between humans and animals, and begin to look at the lifecycle of certain animals, this will link to our literacy explanation text.

## E – Safety

Our main focus in computer safety this term is knowing how to use an internet search engine and understand how to deal with pop ups safely. We will do work on this in school and discuss different scenarios with the children where they might face this. Please make sure you always monitor what your child is doing online.

## Reminders and dates

**Uniform:** Please make sure that all new uniform is clearly labelled in case it is misplaced. That way it can be returned to the correct class as soon as it is located.

**Website:** Remember to check the class pages regularly for newsletters, texts, updates and photos from work in class.

**Homework:** This will be sent home with a reading book every **Friday** and is due in on the **Thursday** of the week after. **Reading:** Remember to share a book at least 5 times a week to receive weekly certificates and be entered in to a prize draw at the end of the term.

## Dates

- Monday 22<sup>nd</sup> February – Term 4 begins
- Thursday 1st April – Term 4 ends
- Monday 19<sup>th</sup> April – Term 5 starts

Here is a copy of our class text

### How the camel got its hump

A long time ago in a place far away there was a selfish, idle camel who did not want to work. Everyday he would just eat and say humph!

On Monday morning, Horse trotted along and suggested "Camel come and trot like us". But Camel just said "Humph!" Then, Dog sprinted along with a stick in his mouth and shouted "Camel fetch and carry like us". However, Camel just said "Humph!" Finally, Ox plodded along and whispered "Camel come and plough the field like us". Unfortunately Camel just said "Humph!"

At the end of the day the King of the Desert arrived and spoke to Horse, Dog and Ox. He spoke firmly "Camel won't work so you will have to work harder." The animals were frustrated. When they were working Camel came along and laughed at them. How furious they were!

Eventually the King of the Desert appeared again and had a meeting with the animals. "Is it right for one animal to be idle and only say humph?" they complained to the King. "Certainly not, I'll go and speak to him" replied the King. Off he stomped across the desert, where he soon found the camel looking at his own reflection in a pool of water. What a lazy camel he was!

Angrily the King shouted "Why are you being so idle when the others are working hard?" "Humph!" Camel replied. "DON'T SAY THAT!" screamed the King. "Humph!" said Camel. As soon as he spoke a hump appeared on his back. "That's for being idle and just saying humph. Now you must work!" exclaimed the King angrily. Grumpily Camel trotted off to join the others. From that day on Camel has never moaned but still has his hump.
