Special Educational Needs and Disability Nurture Group For Parents/carer's and their children

DO YOU HAVE A CHILD WITH SPECIAL EDUCATIONAL NEEDS OR DISABILITY?

DO YOU NEED A FRIENDLY EAR?

A GREAT OPPORTUNITY IS COMING IN SEPTEMBER 2021 TO COME ALONG TO THE EAST STREET CENTRE EARLY YEARS TO MEET OTHER PARENTS OF CHILDREN WITH SEN.

At East Street Early Years our families are important to us and we believe that working together with parents and Carer's, we can achieve the best outcomes for your child.

We are planning on opening an informal parent group for parents & carer's of children with Special Educational Needs. The group will be held weekly on a Wednesdays pm 3.30pm-5.00pm to chat about the joys & difficulties of parenting a child with SEN. Support each other & share experiences, advice and information while enjoying a coffee.

We are hoping we will be able to engage visits from professionals or organisations who can pop along for informal chats to give more information about their services. The group will welcome anyone who has, or cares for a child with SEN including those going through assessment or diagnosis.

If you would be interested in attending please contact office@esey.uk or telephone 01295 257100 and ask for Rachel, Theresa or Jemma.
