Dear Parents/Carers,

Re: Reception Splash Party

All of the children have been working very hard in Reception this term to earn their class reward of a 'Splash Party'. The party will involve the children being able to explore and have fun with water. There will be a splash mat with running water which the children can go on if they wish, and there will be water trays filled with water to play with.

We will be taking the children out in small groups in order to keep them safe around the water. As Covid guidelines will still be in place, the children will remain in their bubbles and we will refresh the water in the trays after each group. The splash mat will have constant fresh running water coming through. The children will not be expected to take part if they do not wish to, and they can access the water as much or as little as they feel comfortable with.

This event will take place on **Wednesday 14th July**. We are asking that you send your child into school wearing clothes and shoes which you do not mind getting wet (e.g. T-shirt and shorts or PE kit). Please can they also bring their school uniform, dry underwear, towel and school shoes in a named bag. The children can then change into their uniform afterwards.

If you have any questions please speak to your child's class teacher.

Kind Regards

S Kane
