Dear Parents/Guardians and Year 6 pupils,

As we all are now aware, unfortunately the Year 6 pupils do have to continue to isolate for the week and cannot come back into school. We have been working really hard to try and put together some great activities for the pupils to take part in. Below details the plans we have put in place and some actions we are asking you to complete in order to support these.

Plans

- **Monday:** zoom registration at 9am for pupils who have consent to use it including social time to catch up with friends (all zoom sessions will be recorded). This will be followed by watching the video of Mrs Rogers' assembly as a celebration for the year (link sent via Seesaw) then fun and engaging competition style activities set on Seesaw.
- **Tuesday:** zoom registration and social again at 9am followed by activities set on Seesaw.
- **Wednesday:** zoom registration at 9am then graduation online for everyone together at 9.30am (parents to join too via a zoom link) then final fun activities set on Seesaw.
- **One day next week** – we are looking to see if we can arrange for a few staff to come and support the children to sign shirts and have their water fight one day between Monday 26th – Friday 30th July). This will only be able to run if we can staff the event and if we have enough pupils wanting to join. The event would take place outside and shirts would be lined up outside so pupils could sign them whilst no one is wearing them.

Actions/tasks to do

1. **Today**, please complete the **consent form** to allow your child to take part in the mini zoom sessions - <https://forms.gle/wAWjsER7EFmFGz3n8>
2. **By Monday 19th afternoon**, complete the **survey** to say if you would like your child to take part or not in the water fight/shirt signing event if it was to go ahead: <https://forms.gle/iCiDSfJsBkKP8tmo7>
3. **Monday 19th July:** if you have **asked for a device**, you can **collect** this first thing Monday morning.
4. **Monday 19th July from 1pm – Tuesday 20th July:** please **come to the office** to **collect** your child's graduation items so they have them ready for the main event. If you cannot come to the office, please call us by 9am Tuesday and we will try to arrange for them to be delivered (please note, if it is possible for someone in the household to collect them we would really appreciate it as we are very short in time to get everything out to everyone).
5. **Wednesday 21st July:** Join the **graduation assembly** virtually (ideally with your child at the same time as we have limited numbers) at 9.30am.

I appreciate that this isn't the end of year we all had planned for Year 6 but we have to abide by the rules to keep everyone safe. With that in mind, we have tried our best to still give the pupils the best possible send off. They have been amazing during their time and Dashwood and we know they are ready to take on their next journey going into secondary school.

Thank you for your continued support and cooperation and we look forward to seeing you virtually this week! If you have any questions, please call the office or email us and we will get back to you as soon as we can.

Yours sincerely
