Dear Parents/Carers of Pupils in Years 1-6,

As you are aware, we are aiming to start our free, after school clubs again! We have been working on the best way to do this and have decided that parents/carers are best placed to complete an online request form with your child's preferences. We will then take your selections and aim to get your child into 1 club of their choice. If clubs are over filled, we will look to run them for a few weeks with one set of pupils and then run them again for another set, meaning more pupils get access to more clubs over the year.

The request form will give you an option to select your child's top three choices available to them. Once we have the request forms completed, we will allocate clubs and write to you next week with the start dates and confirmation details. As always, these clubs are free to attend and run by our own staff so we will do our very best to support the pupils. We will only allocate one club at a time to give more pupils the chance to take part. A new set of club options will come out later in the year. For now, the options on the form will be as follows:

	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
Monday's	Construction club	Construction club	Coding Club  Active Sports club  Outdoor learning club	Coding Club  Active Sports club  Outdoor learning club	Benchball club	Benchball club

All clubs will run 3-3.30pm and so pupils will be collected from the relevant classroom locations at 3.30pm if they attend a club.

To sign your child up, please complete the request form at:

Please complete a separate form for each of your children if you have more than one. Please complete the form by **Wednesday 29<sup>th</sup> September 2021**.

We are trialling this new way of allocating clubs and hope you find it less stressful than previously offered so we welcome any feedback.

It is really exciting to be able to get clubs running again properly!

Kind regards
