Dear Parents and Carers,

We are excited to announce that we have set up a new peer mentoring system in school to develop pupil relationships in order for them to learn from each other and share school experiences.

Your child will have a mentor who will support them with some of their learning and have a person they can go to if they need a friendly face to talk to.

This is a great opportunity to develop leadership skills, build confidence and ensure school experiences are the best they can be.

Yours sincerely

S. Gordon-Weeks
