

Home Learning Project

History

Create a Stone Age menu or home.

Create a series of fact cards about the Stone Age.

Our Topic

The Stone Age?

This term we are learning all about the Stone Age.

We would like you to carry out a home learning project. Here are some ideas to get you thinking or you may have other ideas of your own linked to our topic.

Maths

Create a timeline of the three stages of the Stone Age and explain what separates them.

Art/Design Technology

Create cave paintings using chalk or paints.

Design a tool which could manoeuvre large stones for the creation of a stone circle.

Literacy

Create a diary entry for the day in the life of a Hunter Gatherer.

Write a comparison of the life of a Stone Age child and child today.

If you're feeling creative you could:

Create a Stone Age tool from junk modelling materials.

Create a documentary of the lifestyle of a Stone Age person.

Create a book review of the story 'Stone Age Boy' by Satoshi Kitamura.

RE

Research the beliefs and rituals used in the Stone Age.

Research the significance of the 'King's Men Circle.'

Science

Research the different types of rocks and create a factfile to show your findings.

We really look forward to seeing your home learning project.
