

If you would like to make something, you could...

- Design and make a house, thinking about what materials would be best.
- Make a poster showing the difference in seasons.

If you are feeling **religious** you could you could...

- Tell the story of Easter through words and pictures.
- You could create a stained glass window depicting the story of Easter.

If you are feeling **scientific** you could you could...

- Research the six animal groups and what animals you may find in those groups.
- Create a food chain or diet plan for a range of animals from different groups.

If you are interested in art you could...

- Make a collage to show what trees are like in all four seasons.
- Make a habitat for a range of animals, such as a woodland.

## Project based learning – Spirit of Adventure

### Watch out Little Red Riding Hood!

(Term 5 Year 1 Topic)

*Choose one of these options (or an idea you have yourself) and complete this alongside practising your reading and handwriting.*

*This project is due in on Friday 13<sup>th</sup> May 2022*

If you are interested in **literacy**, you could...

- Write your own warning story.
- Write a poem about a wolf.
- Create a wanted poster for a wood cutter to come and save the day.

If you are interested in **Computing**, you could...

- Type a small diary of what you have been up to in the holiday and practise saving and retrieving your work.

If you are interested in **maths**, you could...

- Look at a clock and write down the times when get up, have breakfast, lunch and dinner and when you go to bed.
- Can you measure the length and weight of a range of objects around your house.
- Make a 100 square, but start at 100 and count backwards till you get to 0.
