Dear Parent and Carers,

Re: Year 1 Museum Trip and Warwick Castle Trip

Unfortunately we are unable to take the pupils to visit Banbury museum this term now due to difficulties with rearranging a new date with them. Although this is a shame for the children we ensured that before the end of last term we completed exciting practical learning activities similar to what would have been covered during their visit to the museum, such as experiencing new and old toys, finding out how they work and making their own toy.

We are however visiting Warwick Castle at the beginning of term 6 (date to be confirmed) and so we will use the payments which have already been made for the Banbury museum trip towards the Warwick Castle trip instead. This is going to be a very exciting trip which links to our topic of Castles next term. The children will get to see a castle in real life and take part in lots of interesting and engaging activities while we are there.

Full details of the Warwick Castle trip will follow in a separate letter. Please speak to your child's class teacher if you have any questions about this.

Kind regards,

Miss Brown, Mrs Santon and Mrs Houlihan
Year 1 Teachers
