## Sent on behalf of the Education COVID-19 Cell

Dear Parent/Guardian,

We have received a request on behalf of the Education Covid-19 Cell to share this information with you about vaccinations for your child/ren.

*All children aged 5-11 continue to be offered vaccination against Covid-19 vaccine and it is good time to get your child vaccinated in time for the summer when cases might increase. Two doses of the vaccine (at least 12 weeks apart) should give the child long-lasting protection against serious complications of infection and some protection from mild symptoms. To book an appointment, please visit <https://www.nhs.uk/covidvaccination> or call 119.*

*The NHS wants to support you to make an informed choice with more information available here [COVID-19: A guide for parents of children aged 5 to 11 \(publishing.service.gov.uk\)](https://www.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/85421/covid-19-a-guide-for-parents-of-children-aged-5-to-11.pdf)*

*If you do not know your child's NHS number you can get it:*

- *by checking your child's personal health record (the red book given to you when your child was born)*
- *by checking any NHS letters, prescriptions or test results you may have received for your child*
- *by going to the [NHS.UK website](https://www.nhs.uk)*
- *by asking your GP practice to help you*

*If you have any questions please email [educationcovid19@oxfordshire.gov.uk](mailto:educationcovid19@oxfordshire.gov.uk)*

### **The Education COVID-19 Cell.**

Although we are unable to book appointments for you, we may be able to help with any questions that you may have.

Kind Regards

*S. Gordon-Weeks*
