22 November 2022

Dear Parents/Carers of Pupils in Years 1-6,

Our free after school clubs have had huge successes these last two terms and so now is the time we update the clubs and give your child(ren) the chance to try something new. Like last time, we are asking parents/carers to complete an **online request form** with your child's preferences. We will then take your selections and aim to get your child into 1 club of their choice.

The request form will give you an option to select your child's top three choices available to them. Once we have the request forms completed (due by Tuesday 29<sup>th</sup> November), we will allocate clubs and text you with the start dates and confirmation details. As always, these clubs are free to attend and run by our own staff so we will do our very best to support the pupils. We will only allocate one club at a time to give more pupils the chance to take part. A new set of club options will come out later in the year for the final two terms (Term 5 and 6). For now, the options on the form will be as follows:
