World Book Day – Thursday 2nd March

Dear Parents/Carers,

Every year we celebrate 'World Book Day' alongside 100s of other schools. It is an exciting day where we can really give reading for pleasure the platform it deserves and deliver exciting and engaging sessions all around books and reading.

This year is no different and we have exciting events planned in school, such as sessions on our library bus and an opportunity to do some buddy reading with other pupils across the school.

On the day we will be **running a book sale at school to raise funds for our Library Bus!** **Books will be sold at break times and after school and will be sold for 20p each.** We hope you can use this as a great opportunity to stock up book collections you have at home.

We will also be **running a competition** where we are asking children to recommend a book to others in the school. This can be presented however you like but we will print off some templates should they wish to complete them this way. There will be multiple winners from across the school and an array of prizes too, such as stickers, book marks and brand new books! We will use these designs to set up a new reading display on our library bus. All children who enter the competition will earn themselves a certificate.

We hope that you can engage in these challenges and that it fosters a love of reading at home!

Please ensure your child/ren return their recommendation cards back to their class teachers by **Thursday 2nd March**

Kind regards

Mrs Carly Bunn

Reading Lead / Upper Key Stage 2 Lead
