Dear Parents / Carers,

It is with regret that we are going to close our Youth Club that runs on a Tuesday night with immediate effect. Unfortunately, due to low numbers that we have monitored over the last term, it is not viable to run. We purchased lots of equipment for the Youth Club over the years so we will ensure that it is made to good use with our pupils in school.

I do apologise for the inconvenience this may cause to the children that have attended the youth club in the past.

Yours sincerely,

S. Gordon-Weeks
