Year 6 – KS2 Assessments

Dear Parents/Carers,

The KS2 assessments are up and coming and will officially take place:

Tuesday 9th May – 12th May

The timetable for the week is standard and is set by the government, so therefore goes as follows:

Tuesday 9th May – Grammar and Spelling Papers

Wednesday 10th May – Reading

Thursday 11th May – Maths

Friday 12th May – Maths

The children in Year 6 have been working hard to prepare for these assessments and to ensure they run smoothly we wanted to highlight a few key pieces of information.

- **Children must arrive to school on time for these days.** This is to ensure official registers are completed, but also to ensure that there is enough time for children to settle into their school day before the assessments begin. To help with this we are offering a **free breakfast club** on all of the assessment mornings. Children can arrive at their classroom from 8.15am.
- A good night's sleep is vital! Please ensure your child(ren) are in bed at a suitable time and have had time to switch off and relax at home.

We would like to thank you for all of your support so far this year and we are looking forward to celebrating the end of the assessments with **a celebration free lunch, at school, for all Year 6 pupils on Friday 12th May.** If you have any further questions, please don't hesitate to get in touch with your child's class teacher.

Kind regards,

Mrs Carly Bunn & Mr Shaw

Year 6 Teachers
