They will spend these two days with their new teacher in their new classrooms . You will receive a letter stating which teacher they will be having and where their new classroom will be later on in term 6. On these two days they will take part in lots of 'getting to know you' activities, set new class rules, give out jobs for the new term and vote for the new Aspiration Councillors. So it is essential that they attend these days so they do not miss out.
