Dear Parents/Carers,

At Dashwood Academy we use a system called Arbor to hold all information on your child with regards to medical information, attendance and assessments.

This system enables parents to be able to log into an account and view all the information that the schools holds on your child/ren and also enables parents to update information as necessary when things change.

Once set up, this will also be the place that you can book activity clubs, parent evening sessions. You will also use the portal for booking meals, breakfast and after school club, giving consent for trips and making payments for these items.

We are in the process of setting up the parent portal and would ask that you complete the google form: <https://forms.gle/Fnvt4kg58aHswNSo8> to confirm that we have the correct contact details on file. Once we have set up the parent portal you will receive details on how to log into your account.

Yours sincerely,

S. Gordon-Weeks

Mrs Sarah Gordon-Weeks
Principal
