13 December 2023

Dear parents and carers,

On 11th January 2024, Year 3 will be completing a Stone Age day at Dashwood to provide a 'WOW' introduction to their new unit of learning.

Throughout the day children will take part in a range of activities linked to life in the Stone Age. These will include fire building and cooking over a fire, whittling sticks, shelter building, tool making and 'spear' throwing. There will be a range of role play activities to relive the life of a Stone Age person. This will support later writing opportunities in class.

On the day, we will be outside **whatever the weather**. Please send your child in with a full forest school kit, including wellies and warm winter coats, gloves and a hat. Children can come to school in these clothes but we suggest sending a spare change of clothes and indoor shoes just in case they get wet at any point.

Lunch arrangements will be as normal.

We are very much looking forward to the day!

Kind regards

Miss Shaw and Miss Beaumont
