10 January 2023

Dear Parents/Carers,

National School 'Census Day' – Thursday 18th January 2024

The national school census day is next Thursday. This is important for all schools as data submitted in census returns is used to determine each school's funding. One of the factors used is the number of pupils taking hot dinners on Census Day, and with school funding being a significant challenge to schools, every penny counts.

Cucina has produced a special menu for this day and is an American Diner Theme, Mac 'n' Cheese will still be available as we know this is a popular choice with our pupils. Please see posters around the school.

Please order meals for this day only via this form: <https://forms.gle/UtNfJDw1YGEdTRMF6>
Even if you have already booked meals on Parentpay, we would ask that you let us know your choices via this form. **Deadline for ordering is Thursday 11th January.**

We very much appreciate your support.

Kind regards

S. Gordon-Weeks

Mrs Sarah Gordon-Weeks
Principal
