Dear Parents/Carers,

Re: School meal price increase

I am writing to you regarding the cost of our school meals which has remained at £2.40 since September 2019.

The charge from our caterers to us as a school, for providing meals went up some time ago to and we have been subsidising the costs but unfortunately, we are unable to continue doing this and so we will be increasing the cost of our school meals from Monday 15th April 2024 to £2.60 for those pupils in nursery and Years 3 to 6.

Pupils in Reception to Year 2 and those eligible for Free School Meals will still receive these free of charge.

We will also be having a new menu from after the Easter holidays and more news about this will be sent out shortly.

Kind regards

S. Gordon-Weeks
