

If you would like to make something, you could...

- Create your own chocolate bar.
- Design your own chocolate bar wrapper.

If you are feeling **musical** you could you could...

- Create an advert for your favourite chocolate bar.

If you are feeling **scientific** you could...

- Find out about states of matter and the difference between solids, liquids and gases.
- Find out how the weight of chocolate varies linked to the number of ingredients.
- Find out about how chocolate can change state.

If you are interested in **PE**, you could...

- Research the rules of handball - produce an information text about the sport.
- Research famous athletes and create a fact file about them.

Project based learning - Spirit of adventure

How can we as advertisers persuade someone to buy our chocolate bar?

Challenge yourself to see how many of these you can complete. We look forward to seeing your learning next term!

This project is due in on Friday 3rd May

If you are interested in **literacy**, you could...

- Create an advert for your favourite chocolate bar.
- Create a set of instructions of how to make a bar of chocolate.

If you are interested in **Computing**, you could...

- Use the free scratch app to create a chocolate story.
- Make a stop motion video all about chocolate.

If you are interested in **maths**, you could...

- Calculate the difference in price between different chocolate bar brands.
- Calculate how much it would cost you to make a chocolate bar.
