

If you are feeling **creative** you could...

Make a 3d globe showing countries and continents

Make food from another country.

Create a tourist leaflet for a country of your choice.

If you are feeling **musical** you could you could...

Learn a song from a different country.

Make up a rap about sustainability.

If you are interested in **maths**, you could...

Investigate distances to other countries from the UK.

Cost a holiday to a country of your choice. Include travel, accommodation, and visits to local tourist attractions.

Find out how many dollars, yen, euros (foreign currency) you will get for £100 etc

Create a graph to show the monthly climates of the UK and Brazil.

If you are interested in **geography**, you could...

Find some key facts about South America and draw a map locating the countries and major cities.

Write about any environmental issues in these countries.

Project based learning – Term 1 Year 5

How can we save the Amazon River Basin from deforestation to ensure a sustainable future?

*Due in:
Friday 19th
September
2025*

If you are interested in **Religious Education**, you could...

Explore the main religions practised in a country of your choice.

If you are interested in **Physical Education**, you could...

Keep a health and fitness diary including photos, videos, food lists, recipes about your healthy living journey.

If you are interested in **history**, you could...

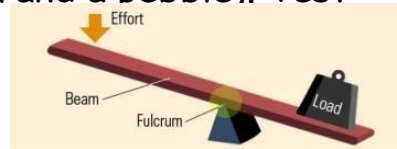

Find out about the history of the monarchy of our country.

Create a timeline of

You could...

Build your own lever with a piece of wood a simple fulcrum (the object you will balance your plank of wood on - it could even be a lolly stick and a pebble). Test how easy or

difficult it is to lift a load on one end of the lever.

You could...

Follow the link and watch the video on gravity

<https://www.bbc.co.uk/bitesize/articles/zqbm3k7>

Follow the link and watch the videos on gears

<https://www.youtube.com/watch?v=5kib5aGuq70>

You could... take a really close look at the gears on a bike. What happens when you change gears? Does changing the gears make your bike easier or more difficult to ride?

Project based learning – Term 1 Year 5

How might we create a system to move produce from one side of the Amazon River to the other?

*Due in: Friday 19th
September 2025*

Follow the link and watch the videos on levers

<https://www.youtube.com/watch?v=lueqE0lxLy>
c

You could...

Make a lollypop stick trebuchet. How far can you make an object fly?

You could... look at the following levers in your house. How do they work? How do you think they make a job easier?

You could...

Follow the link and watch the videos on pulleys
<https://www.youtube.com/watch?v=lOsXlsc3Ijo>

Follow this link which will take you to some information on pulleys for kids.

<https://www.youtube.com/watch?v=LiBcur1aqcg>
