If you are feeling **creative** you could…

- Create a dinosaur nest using junk modelling materials.
- Create a documentary about dinosaurs.
- Create a model of a dinosaur or a dinosaur fossil.

If you interested in **Art/Design Technology** you could…

- Create a collage or a painting of a dinosaur.
- Design your own dinosaur and give it a name. What is special about your dinosaur?

If you are feeling **scientific** you could you could…

- Research a species of dinosaur and create a poster or fact file.
- Find out what a dinosaurs diet was like. Did they all eat the same?

Project based learning:

Dinosaurs - How can we, as palaeontologists, prove that a variety of different dinosaurs existed? (Term 1 Year 3 Unit)

This term we will start by learning all about dinosaurs. We would like you to carry out a home learning project. Here are some ideas to get you thinking or you may have other ideas of your own linked to our unit.

This project is due in on

Friday 18th September 2026

If you are interested in **literacy**, you could…

- Write a poem about a dinosaur.
- Create a newspaper article about a dinosaur that is roaming around Banbury.

If you are interested in **history**, you could…

- Find about the famous monarchs of United Kingdom.
- Create a fact file about King George VI.

If you are interested in **Religious Education**, you could…

- Research the religious history of Banbury.
- Research the history of Saint Mary's church.

If you are interested in **maths,** you could…

- Create a timeline to show when dinosaurs were alive.
- Create a poster explaining place value up to four digit numbers.
