Cherry Newsletter

Topic for Term 2

Weather

Short Poems

Personal, social and emotional development:
During this term we will be learning about the different types of weather and the four seasons leading up to Christmas. We will also concentrate on sharing and turn taking and how we can be kind to our friends.

Communication, language, reading and writing
This term we will be looking at short poems about the weather with the children and encouraging them to join in. We will continue to sing familiar nursery rhymes with the children. We will be providing the children with lots of mark making opportunities throughout the session to put on display.

Physical development
This term we will be continue to encourage confidence to explore the outside environment to develop the children's gross motor skills as well as providing fine motor activities for the children.

Maths development
We will be singing number songs with the children and supporting their understanding of what numbers are by counting the children and looking at numbers in the environment. We will be using our number line to recognise numbers 0-5.

Knowledge and understanding of the world
We will be looking at all the different types of weather and discussing the weather in each of the four seasons. We will be looking at appropriate clothing we should wear.

Expressive arts and design
As part of our topic we will be creating a display by using different materials and techniques. We will also be discussing colours and textures. To help us to learn our poems we will be adding actions to help us remember.
