EYFS Mini First Aid Workshops – Thursday 26th November 2026

Dear Parents and Carers,

We are delighted to announce that Plum, Peach, and Pear classes will be taking part in a **Mini First Aid workshop** on **Thursday 26th November 2026**. These sessions will take place in their usual classrooms during the regular school day.

This opportunity will complement our ongoing learning about everyday heroes, people who help us, and how to stay safe and healthy.The interactive, hands-on sessions are run by qualified professionals from Mini First Aid Oxfordshire, with EYFS staff present throughout.

Workshop Overview:

- **Plum Class (*'Sit, Chomp and Chew'*):** Children will learn all about safe eating practices in a fun, accessible way.
- **Peach & Pear Classes (*'First Aid with Freddie'*):** Pupils will learn essential emergency response skills, including how to call 999 and what to do if a friend or family member suddenly becomes unwell.

All activities are practical and specifically designed for children aged 3–6 years. At the end of the workshop, every child will receive a certificate of completion to take home!

Payment Details:

To help cover the cost of bringing in these specialized trainers, we are asking for a contribution of **£3.00 per pupil**, payable via **Arbor**.

- **Payment Deadline:** Friday 13th November 2026

We are really looking forward to this valuable and engaging learning experience. If you have any questions, please feel free to speak to a member of the EYFS team.

Kind regards,

Mrs Stephanie Kane

EYFS Lead
