The Treehouse Newsletter

Topic: The Great Art Gallery

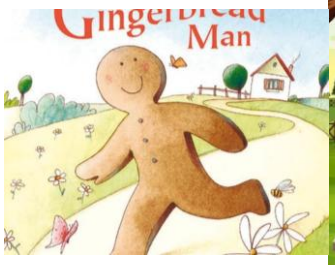

Outcome: Create our own pieces of art inspired by great Artist

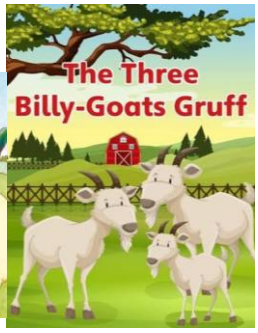

Welcome back to the new term! We hope you all had a restful holiday! Here is the Treehouse Newsletter for our term. It details the learning that the children will be doing and activities they will be taking part in.

Literacy

This term we will be engaging and anticipating a range of different storybooks to spark interest in creating sentences and also to look at traditional tales. From these stories we will be creating marks and giving meaning to marks that we draw, write and paint. Linked to our stories we will write simple sentences which can be read by themselves and others.

The storybooks that we will be exploring together are Three Billy Goats Gruff and The Gingerbread Man.

At home: Remember to share some books and practice the letter sounds we have been learning in class.

Maths

In maths this term, we will be focusing on subtraction and addition alongside counting and number recognition. We will count up to six objects from a group, use the language 'more', 'fewer', 'taller' and 'shorter' to compare two sets of objects, find the total of two groups by counting all of them, say the number that is one more than a given number and find one more or one less from a group of 5 objects, then 10 objects

At home: Can you practice counting objects in a group? Focusing on turn-taking as well as playing with your family.

PE and Forest School

PE takes place on a Monday. This term, we will practice different ways to move safely around our area and over equipment and copying sequences. We will learn to confidently and safely use a range of large and small apparatus indoors and outside, alone and in a group.
Our aim is to develop confidence, competence, and accuracy when engaging in activities that involve us controlling our movements and stopping and starting.

Topic

During creative curriculum lessons this term, we are going to look at some of the Great Artists of the world and create our own masterpieces to show in a Gallery at the end of term.

At home: Look at different ways to create your own masterpieces as a family.

Personalised targets:

During each week we will have time to work on specific targets individualised to each pupil depending on their needs. These will be targets from maths, literacy, social and emotional development, fine and gross motor skills and speech and language (if required).

Seesaw:
We will use Seesaw to post pictures and post students work as often as we can.
We will also use the message function to communicate with you. Sometimes it is difficult to catch up at the door, so we will be able to give an overview on Seesaw if needed.

Information you need to know
***Please can a P.E. be kept in school for when they join their whole class P.E. lessons or if needed for spare clothes. Please make sure all children bring forest school kits every Thursday - wellies can be left at school.**
*Please refer to your child's personal timetable to inform you of when they will be accessing the Treehouse Classroom.
Key dates where the children will attend events with their class/year group:

Reception Year 1 Year 2 Year 3 Whole school events	TERM STARTS Monday 2nd November 2026
	INSET DAY 27th & 30th November
	Tuesday 15th December The Great Art Gallery Display
	TERM ENDS Friday18th December 2026

Parents Evening - to be confirmed. We will provide an update as soon as further information becomes available

Please do not hesitate to come and speak to Becky or Emily or their class teacher if you have any questions.

We look forward to seeing you all back.
